

CESSNA 120/140 HEADLINER INSTALLATION VIDEO WITH LORRAINE MORRIS

Is the headliner in your Cessna 120/140/140A sagging, torn, stained or just plain ugly? In this professionally-produced video, airplane owner and upholstery expert Lorraine Morris shows you, step-by-step, how to remove your old headliner and install a new one.

This enjoyable video includes close-up instruction, helpful tips to make the project easier, and a discussion of the tools required for the job. It also covers the differences between the 120/140 and the 140A headliner.

This video is indispensable to anyone tackling this project for the first time, and even old-timers will learn a thing or two!
